Persistence

"Nothing in the world can take the place of persistence. Talent will not; nothing is more common than unsuccessful men with talent. Genius will not; unrewarded genius is almost a proverb. Education will not; the world is full of educated derelicts. Persistence and determination alone are omnipotent. The slogan 'Press On' has solved and always will solve the problems of the human race."

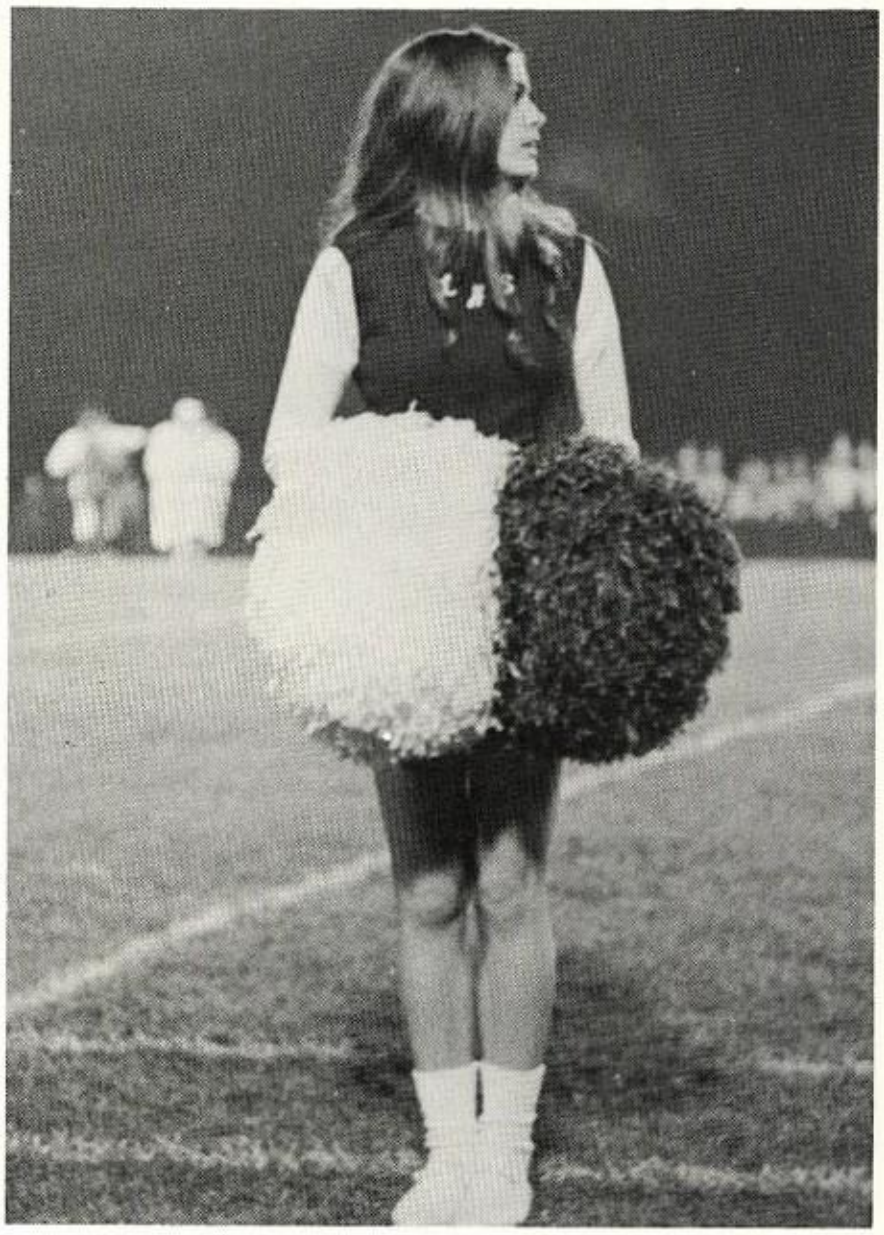
Parade and Float Highlight Homecoming

Homecoming '71 was highlighted by a change from past tradition. Hall decorations were replaced with a parade and field day.

Unity of the classes was shown by the "all-school" float and participation in field day.

The Senior Class won the Powder-Puff football game which led them to a triumphant victory over all Homecoming events.

The one disappointment of the week was when Lakeview lost the Homecoming football game to Jackson Parkside 30-19.



TOP LEFT: Top Ten members Kathy Wright, Lu Ann Newton, and Debbie Behnke are taken to the game on Lakeview's first Homecoming float. BOTTOM LEFT: Pom Pon girl Kathy Lutz watches the Homecoming game against Jackson Parkside.

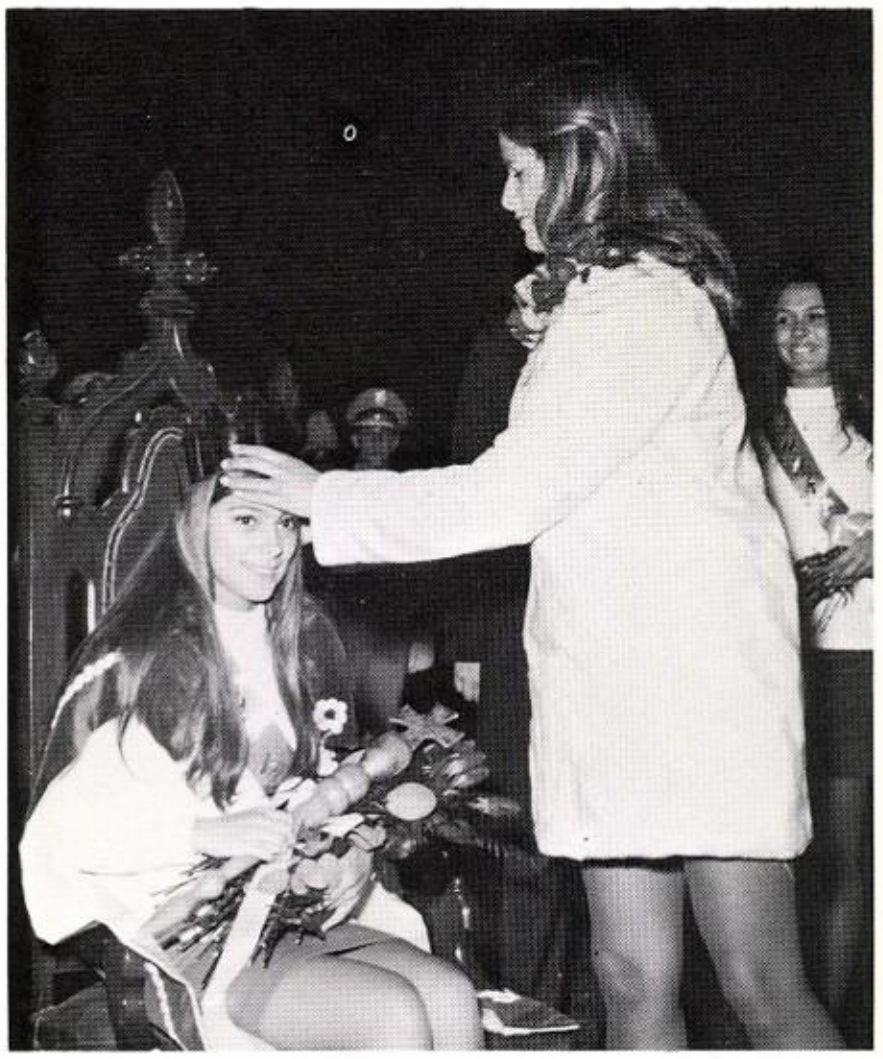
'Julia' Performs For '71 Homecoming Dance;



Pat Selected Queen

'We've Only Just Begun' was the theme for this year's Homecoming activities and dance. Julia, a favorite band from Ann Arbor, performed at the dance Saturday night.

Pat Slack was chosen queen with Patti Leibel, Julie Crumpton, and Debbie Behnke as court. Attendents were Kathy Wright, Sherry Parmelee, Lu Ann Newton, Peggy Brown, Barb Bauman, and Lynn Newman.

South Pacific Staged, First School Musical

Lakeview's Dramatics Department presented the first all school musical, South Pacific. Lead parts were played by Julie Brown, Ken Dronchi, Cindy Stobaugh, Dave Faulk, and Craig Canfield.

The play opens on a South Sea island near Bali Hai during World War II. The story involves the lives of the sailors and natives of the island. It revolves around the love of a navy nurse and a French planter.

The musical was directed by Miss Ellen Harvey and Mr. Tom Case with student director Jean Hunt. The orchestra was directed by Mr. Paul Kirby and scenery and props were organized by Mr. Carl Moore. Music was directed by Mrs. Jean Lower.

'Atlantic Bridgefield' Plays for Junior Prom

Highlights of this year's Junior Prom were the refreshment bubble and the music of "Atlantic Bridgefield." Theme of the 1972 Prom, "Imagine," was effected by mirrors spread around the cafeteria.

Jeff Ardrey and Breah Colquhoun headed the decorations committee while Eva Krizan headed the band committee. Other contributers in making the Junior Prom a success were Robin Reichert, Randy Horwitz, Teresa Hofer, Cindy Priebe, and Mary Wallace. Mr. Earl Austin, professional photographer from Krums, again this year took pictures of couples.

The class voted to hold Junior Prom this year after a proposal was made that Prom be replaced by a class trip.

'Children's Stories' Performed by Sprites

"Children's Stories" was the theme of this year's Aqua Sprite Show. "A Tub Full of Tales" was the title given. A few of the numbers were: The Pied Piper, Pinochio, Aladdin's Lamp, Dumbo, Snow White, and the Wizard of Oz. The show was given April 27, 28, and 29.

Connie Laird was the production director and Kathy Wright was the swimming director. The swim board consisted of Renee Fredenberg, Lee Haight, Patti Liebel, Lynn Newman, Dana Roelofs, and Linda Sackrider. Martha Biddlecome was Secretary-Treasurer. Ginny Sugden and Patty Seaver were in charge of costumes. Publicity chairmen were Nancy Berg, and Sandy Zheutlin. Sue Friedlund and Pat Fox took care of the scenery committee. Props and special effects were obtained by Cindy Priebe.

Debate, Forensics Participate in State

The debate team ended the year with an impressive 80-20 record. Highlights included winning the Thunderbird tournament at Edsel Ford High School in Detroit and becoming District co-champions. They also placed second at Kellogg Community College, fourth at Ann Arbor Huron, and fifth at the Battle Creek Central tournaments. Each member won at least two individual trophies. Bruce Sholes and Jim Tompert traveled to Boston and Pittsburgh for nation-wide tournaments. Mr. Lynn Wallace advised the debate team, while student teacher Steve Smith helped out.

Forensics activities were centered in Miss Ellen Harvey's acting class. Students performed such things as monologues, multiple readings, public speaking and acting, one-act plays and short readings. This year's students participated in state forensics contests.

Variety Promotes English Classes

The English Department curriculum was again divided into all semester classes for sophomores, juniors, and seniors. Freshman are still required to take a full year of Freshman English.

The only change in this year's curriculum was the addition of a New Testament and English Lit course.

According to Mr. Glenn Lawrence, department head, the only changes that can be seen for next year are putting more importance on phase one of this program by working more with the student who has some difficulty in his reading.

All of the courses which received a good response this year are again being planned for next year.

Skills Courses Gain Modern Equipment

A variety of new machines and equipment was purchased this year for various skills courses. The new ovens and ranges for the home economics department and new automotive equipment from the Ford Motor Company were among acquisitions.

The wood shop acquired a new duplicating machine. Mr. Sam Jennings, wood shop teacher, said that this would eliminate the "guess and gosh" method. New textbooks were also purchased for the first time in many years, he said. The improvements will help motivate students to do more creative work, Mr. Jennings predicts.

The home economics department included units on nutrition and health foods but with updated facts and preparations.

Communications Enrich Curriculum

The elective areas of foreign language and speech contributed greatly to the students' enrichment in the form of communication.

Speech and drama classes strived to encourage the student in all forms of verbal and body communication. Speeches and plays were produced on an individual and gregarious base in both speech and drama classes. Preparation and encouragement were put towards forensic contests and the all school musical, "South Pacific."

The foreign language classes, French, Latin, and Spanish, aided students on to a broader scope of verbal and written communication. These courses studied foreign culture as well.

Miss Ellen Harvey remained the main dramatics instructor as Mr. Wallace led forensics. Counselor, Mr. Deane Harsha, retained the position as head of the foreign language department.

Art Display Planned, Mixed Choir Dropped

A student art fair planned for March 17 and 18 was the first attempt in years for a student exhibition of any kind. Such skills as painting, sculpture, and drawings were displayed. "We have a lot of talented art students, said Mr. Richard Lovell, a member of the art fair committee and journalism teacher. "We feel these students should be given an opportunity to display their abilities to the community." Working with Mr. Lovell were Mr. Hal Wurl, art department chairman, and Mr. Jerry Mackey, art teacher.

Increased enrollment resulted in the division of the freshman choir. It met two hours a day and the mixed choir was dropped.

The Band had an excellent year in both concert and marching seasons, but a lack of funds limited the purchase of some new instruments.

Speakers, Trips Add To Social Studies

This year social studies classes were made more interesting by such speakers as Lawyer Bryan Dandenault, Judge Creighton Coleman and Assistant Prosecuting Attorney Tom Schaffer.

Various field trips enriched the students' background. American Government students saw justice in action as they visited the area courts. Certain economics students were able to journey to Lansing's Aircade.

Department head Harold Chase's classes were given the chance this year to break away from the usual rules and regulations through the formation of their own constitution. Success was achieved only in the fifth hour. Their constitution was named "Chase" and later changed to "Chase and Brophy" upon the arrival of the student teacher, Miss Lynn Brophy.

Mock elections sponsored by this department were held in March.

New Math Program To Start Next Fall

A new math curriculum will go into effect beginning the fall of 1972, said Mr. Larry Laughlin, Math Department chairman. "The program is very similar to the new English one," he said. "We will offer separate semester courses to give the student a greater selection of mathematics to choose from."

It will be a five year program beginning with four principles of math semesters along with the present program and eventually changing to a total of seventeen different math semesters. The new math curriculum accelerates students so that eighth graders will begin algebra and students will finish the present math program by the end of their junior year. This leaves room for independent study.

Mrs. Sheryl Stevens returned to the math department after a one year leave of absence.

Science Department Broadens Curriculum

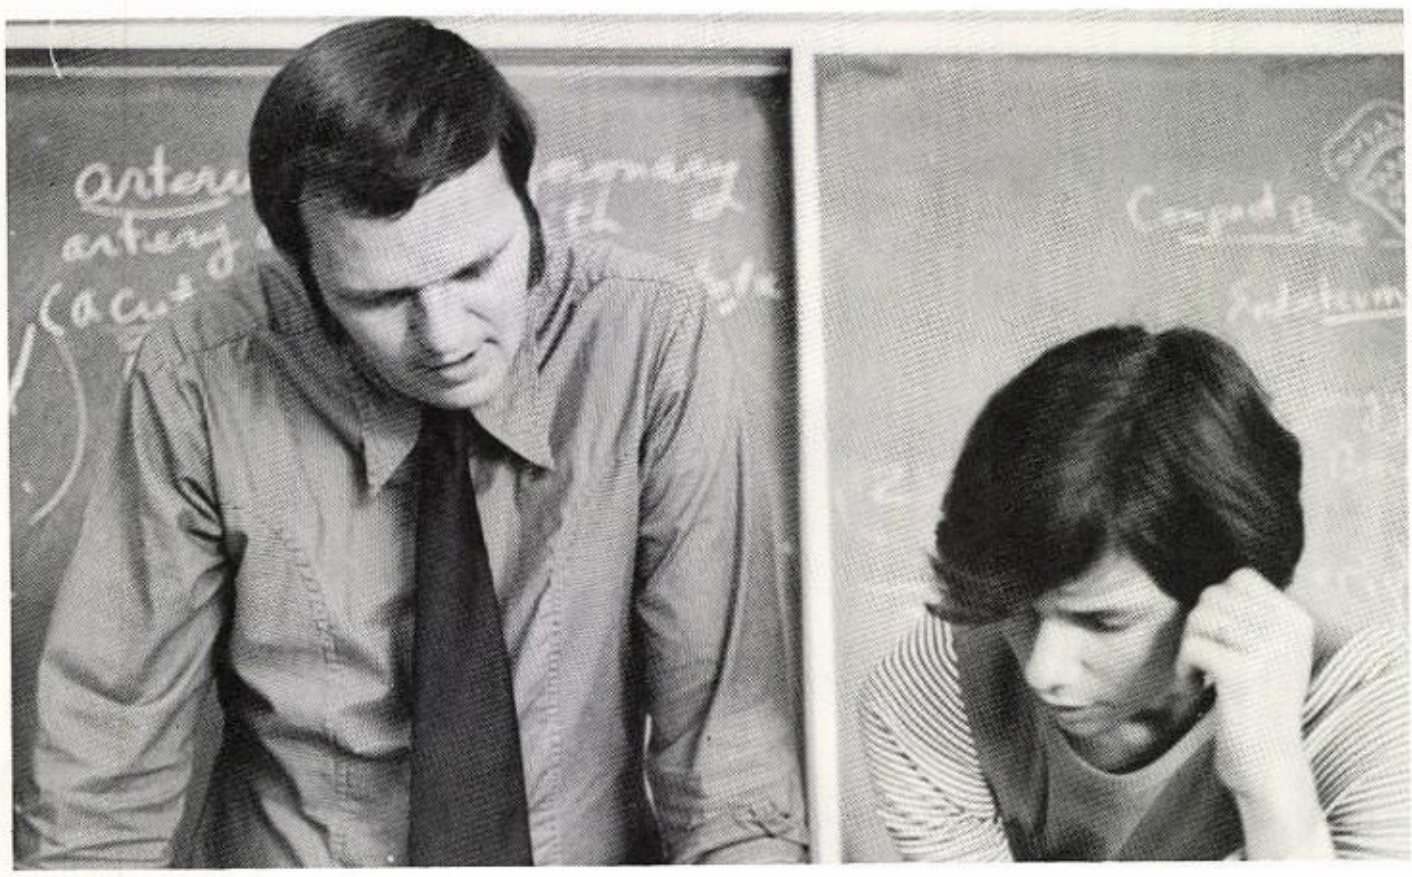
Two new courses, Science Seminar and Photography, were added to the science curriculum this year.

Science Seminar, basically designed for seniors, is a comprehensive review of previously studied math and science. It is divided into three phases, the first being a combined math and physics taught by Mr. Larry Laughlin and Mr. Dickman Kausrud. The second phase takes in chemistry. This is instructed by Mr. Deland Davis. Biology is the third phase, taught by Mr. Norman Rubel.

Photography is solely instructed by Mr. Richard Colburn. It deals in the actual exposure and development of film.

Both of these are semester courses which are designed to enrich the student's background.

Another addition to the science department this year was Mr. Ed Drew. Mr. Drew taught general science and spearheaded a drive for a new interdepartmental ecology course.



Upper right: Seniors Bob Menz and Mike Quinn aid Mr. Laughlin in the filling of their "sun" for the solar system. Above: Steve Prevost ponders a problem with physiology instructor, Mr. Schauman.

New Library Facility Presented to Council

A formalized proposal for a new library facility was presented to the administration and curriculum council, said Mrs. Sandra Colburn, head librarian. "However it has only been presented," said Mrs. Colburn. Despite a lack of funds and space, the library attempted to rejuvenate its facilities. New lighting and audio-visual equipment were among the improvements.

Mr. Volpe, special education director, taught basic subjects such as math and English. Miss Jacqueline Pieper, speech therapist, helped with speaking skills. Mrs. Geraldine Mathews taught reading skills.

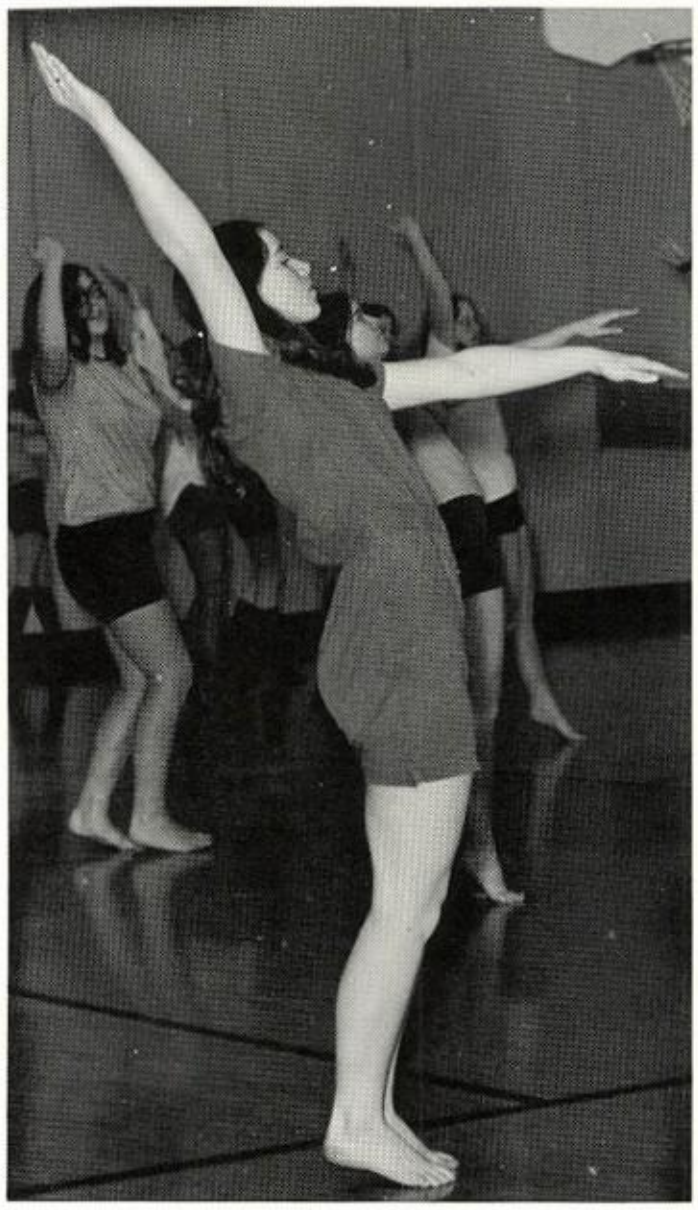
Five-Week Phys. Ed. Courses Continued

The change which occurred last year in the Physical Education Department was again put into use. Being able to pick from a certain class list every five weeks offered greater variety and increased the students' enjoyment of their classes.

Freshmen through seniors were mixed in the same classes. No longer was any student kept from taking an advanced class just because he had never taken a beginners class at Lakeview. An example of this was that freshmen were able to take lifesaving if they could meet the requirements.

Heading the men's Physical Education Department was Mr. Gary Beard. Other instructors were Mr. Bill Brandell, Mr. Ron Lynch, Mr. Jim Ritter, and Mr. "Buzz" McNally.

Mrs. Delores Hepler led the women's Physical Education Department. The other two teachers in this area were Mrs. Judy Case and Mrs. Terri Rozen.



Modern dance was a favorite among girls physical education.

Spartan Golfers Win Redskin Open Tourney

Led by captain Bob Toohey, the Spartan golfers won the Marshall Redskin Open and had an over all 8-9 dual season record. The linksmen also placed fourth in the regionals and fifth in the South Central Conference Meet.

Three year letterman Bob Toohey was picked Most Valuable golfer as he averaged just over 78 strokes per round. The Sportsmanship Award was voted to Junior Dave Brophy while Corky Cutsinger won the Most Improved Award.

Coach Carroll Jensen looks for an outstanding year next season as five letterwinners return headed by new captain Cutsinger.

Harriers Place Third in Conference Meet

Despite posting only a 3-6 dual meet record, Lakeview's Cross-Country team came back with a strong third place finish in the South Central Conference Meet. Other highlights of the season included a 19-42 win over Battle Creek Central and a 16-47 victory over Lansing Harry Hill.

Senior Captain Wes Heppler broke the existing 2½ mile school record running the distance in 12:54. Heppler was voted Most Valuable runner at the annual banquet, while Alan Marshall was picked as the 1972 captain.

Coach Glenn Lawrence feels next year's team will be stronger as 5 of the 7 varsity spots will be filled by returning letterwinners.

Victory Over Central Highlights '71 Season

A 20-13 win over Battle Creek Central highlighted the 1971 football season. The first win ever over the cross-town rivals gave the Spartans a 4-5 won loss record for the season. A 2-4 record in conference games placed Lakeview fifth in league standings. The Spartan defense recorded two shut-outs while the offense averaged just over ten points per game.

Captain Dave Burland and Jim Crocker were both named to the South Central All-Conference team. Crocker was voted the most valuable defensive player while Joe Wolney was picked most valuable on offense. Next year's team should be strong as 22 letter-winners return headed by the new tri-captains Crocker, Dave Burnham and Jeff McIver.

Varsity Cheerleaders Capture Fourth Place

During the summer, the varsity squad attended Camps All American located in Hartland, Michigan. They returned with four ribbons, the notebook award and a fourth place team trophy. Patti Liebel was captain of the nine varsity cheerleaders; Julie Crumpton, Sherry Parmelee and Chris Reynolds were the managers. The junior varsity was led by captain Sherry Crandell and the managers were Nancy Bachman and Teresa Collopy. Mrs. Delores Hepler was the advisor of both the varsity and junior varsity, while Mrs. Terry Rozen was advisor for the freshmen squads. Karen Behnke was captain for the purple squad, and Hope Pierce was for the white squad. The freshmen managers were Sara Burry and Brooke Stoner. This year Lakeview added to its cheerleaders a pom pon corp. It consisted of eighteen girls, headed by Mary Wyson, with Mrs. Judy Case as advisor.

Spirited J.V. Squad Records 6 Victories

The 1971-2 Junior Varsity basketball team's tradmark was lots of spirit and team unity. In spite of a season record comprised of 6 wins and 10 losses, the little Spartans displayed outstanding teamwork and balanced scoring while playing fired-up basketball throughout the season for Coach Joe Kurti.

With their tallest starter being only 6'1" the J.V.'s compensated for this lack of height by employing pressing tactics and aggressive defense. Offensively, the team averaged 61 points per game while giving up 64 defensively.

In conference play the Spartans ended up 5-7 giving them fourth place. Included in the wins was a 60-52 victory over champion Jackson Parkside.

Frosh Purple Team Compiles 13-3 Record

The Freshman Purple basketball team piled up an impressive 13-3 won-loss record under Coach Al Gibbs. The White team just missed a 500 season as they ended their season 5-7 under Coach Butch Perry.

The Purple team played aggressive defense and held their opponents to an average of only 57 points per game. The Purple offense averaged 70 points per game with a high game of 86 against Hastings. Highlights of the season occurred when the Purples avenged an earlier loss to Marshall by defeating them by 20 points and when conference for Adrian was beaten 72-54.

The White team started slow but ended on strong notes as they avenged previous defeats to both Marshall and St. Philip. Nick Grande was voted Honorary Captain for the season by his teammates.

Spartans Capture 1st in Hastings Tourney

Lakeview grapplers brought home the first place trophy from the Hastings tournament, taking the title six out of the last seven years. They were also 1st in the East Grand Rapids tourney, and 4th in their own invitational.

According to Head Coach Jerry Hepler, the biggest win of the season was against Detroit Catholic Central, which was first in the state in '69, '70, and '71. Another prized victory was defeating Battle Creek Central 34 to 11.

Lakeview finished 2nd in the conference meet, and 5th in the Districts, qualifying Mike Decker, Gary Kunnath and R.J. Mullinex for the Regionals. Decker placed 3rd in the Regional meet, and Kunnath 1st, enabling them to go to the state meet.

The reserves ended the '71-'72 wrestling season with 12 wins and no loses. Their biggest win was in slamming the Adrian Maples 56 to 0. Leading the team were Don Mullinex with a 13-2 win-loss record and Mike Tungate, who stood at 13 wins zero losses.

"This year's Frosh wrestlers were down in number, but high in performance," stated Mr. Jim Ritter. He went on to say, "There were only 17 boys on the team but those 17 compiled a 6-1 record." The ninth grade matmen hosted a Christmas Vacation Tournament. Individual weight class champs for the Spartans were Tom Jozwiak, Ed Burnham, and Gary Lett.

Lakeview's swimmers ended the season 11-2, being defeated by Belleville and Ann Arbor Huron. The Spartans finished 2nd in the SCC meet, behind first place Ann Arbor. The only first place winner for Lakeview was Tom Whitlock, who took the 50 free and the 100 breastroke.

Chris LaMothe who was undefeated in the 100 fly in dual meets, qualified for the state meet in that event and in the 200 medley relay with Ryan LaMothe, Fred Pintzke, and Steve Renger. Rob Thayer qualified in the 200 and 400 free as did Whitlock in the 100 breaststroke, and both qualified in the 400 free relay with Renger and Ryan LaMothe. Prom, Garage Sale Highlights of '71-'72

The Junior Class, directed by Mr. Thomas Case started out a prosperous year early by organizing and carrying out many fund raising projects during the summer. These included a paper drive, bottle drive, bake sale, car washes and a garage sale which proved to be the biggest success.

The Class of 73, under the leadership of Randy Horwitz, was in charge of the Bonfire held on Thursday night of Homecoming week.

During Pep Week, before the Battle Creek Central football game, the Juniors came in first in the cafeteria decorations over all the classes.

As the holiday season came to an end, they set their sights on February and the approach of their Junior Prom with the theme of "Imagine". The dance, held on the fifth, featured the "Atlantic Bridgefield".

Trips to Cedar Point, Lake Michigan Planned

This years Sophomore class was in charge of Field Day, which was a new event for the Homecoming festivities. The Sophomore girls won the tug-of-war contest.

Spirit Week, the week of the Battle Creek Central football game, was dominated by the Sophomore class. They came in first in the pom-pon sales, yelled the loudest, and wore the most purple.

At the beginning of the school year they held a variety of car washes, bake sales, and paper drives, which earned them approximately $200.

The class planned a trip to Lake Michigan and possibly to Cedar Point. Mr. Harry Carruth, class advisor, believes a renewal of the spring Washington Trip might be possible because of increased student interest.

Spirit, Enthusiasm Dominate Class of '75

The Freshmen class started out the school year with a fall leaf rake.

Later in the school year they sponsored a roller skating party at Skateland in which quite a few students took part. Not only was this a money making project but it also provided a night of fun for those who participated.

During Homecoming Week, freshmen showed a lot of spirit and enthusiasm throughout the week by helping with building the float, decorating one wall in the cafeteria and by participating in the Field Day events. In the tug-of-war event the Freshmen boys won over the sophomore boys.

Possible future plans for money raising projects include such ideas as a bake sale. The class is advised by Mr. Raymond Perry.

Upper right: Left to right: Secretary, Brooke Stoner; President, Barry Parker; Vice Pres., Karen Behnke; Treasurer, Evelyn Vinolus. Bottom right: Ed Wyson and Steve Lohrstorfer work on a science problem.

Board Has 3 Changes, Improvements Made

The 1971-72 Board of Education had three new faces. They were Mr. Earl Seaver, Mr. Don Garratt, and Mr. Calvin Hunter. Mr. Hunter replaced Mr. Richard Brown in the middle of the school year.

No changes were made in the Administration Staff of Superintendent Lloyd C. TeSelle, Assistant Superintendent Karl Randels, Director of Special Services David Brophy, and Curriculum Director Dr. Carl Pacacha.

The Administration initiated the protection of the pipes around the high school and replacement of the boilers in some of the older schools. They also published the newsletter "Your Lakeview Schools."

Leibert Takes Charge of L.H.S. Discipline

"Central's loss was Lakeview's gain," stated Mrs. H.K. Green, librarian at Battle Creek Central, when asked about the loss of Mr. Al Leibert.

Mr. Leibert was with the Battle Creek school system for 18 years. He was appointed as assistant principal on August 16th, after the resignation of Mr. Walter Johnson, who requested a transfer to a counseling department.

Other than the replacement with Mr. Leibert, the front office remained the same. Mr. T.N. Thomas remained as principal and Mr. Ouellette finished his second year as assistant principal in charge of student activities.

Helping the principals were, head secretary, Mrs. Lois Vieyra, secretary to assistant principals, Mrs. Evelyn Birdsall, and accounting secretary, Mrs. Doris Dunlap.

Johnson Transfers to Guidance Department

Mr. Walter Johnson, last year's assistant principal, joined the counseling staff in a position that was vacated by Mr. Barry Heywood.

According to Guidance Director Mr. Robert Harvey, "Counselors experienced an increased interest locally in vocational education, due to the increased interest in the state toward career education."

This year the counselors aided over 150 students in obtaining training at the Area Vocational Center. The counselors also visited the center more this year in order to learn more about program opportunity and to see how the students were doing.

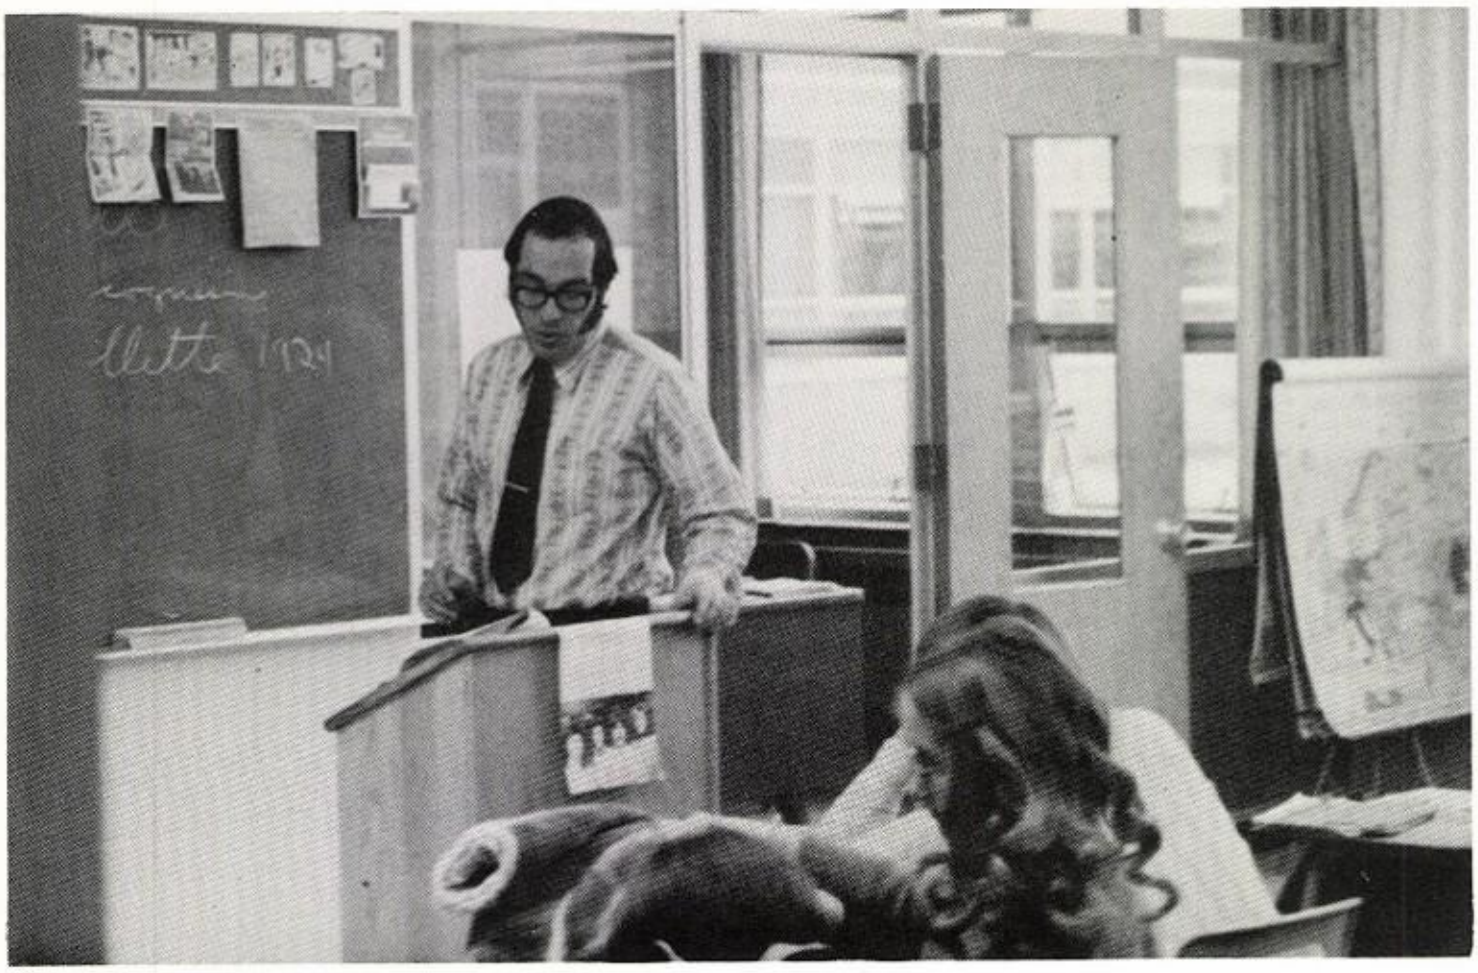
Cafeteria, Custodial Staffs Increased

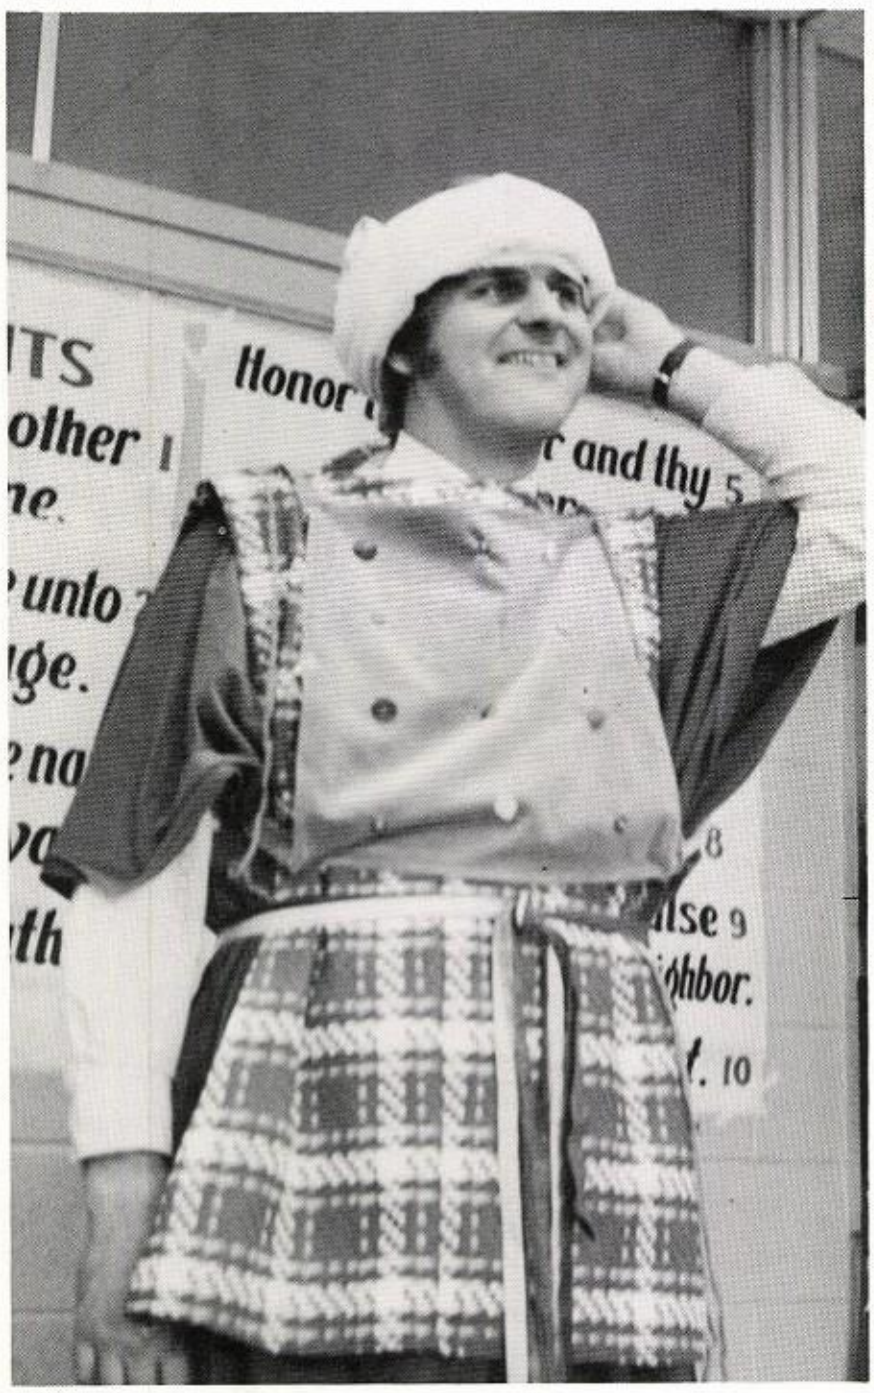
Two of the new faces to enter this year's cafeteria staff were Mrs. Barbara Wright and Mrs. Mary Howard.

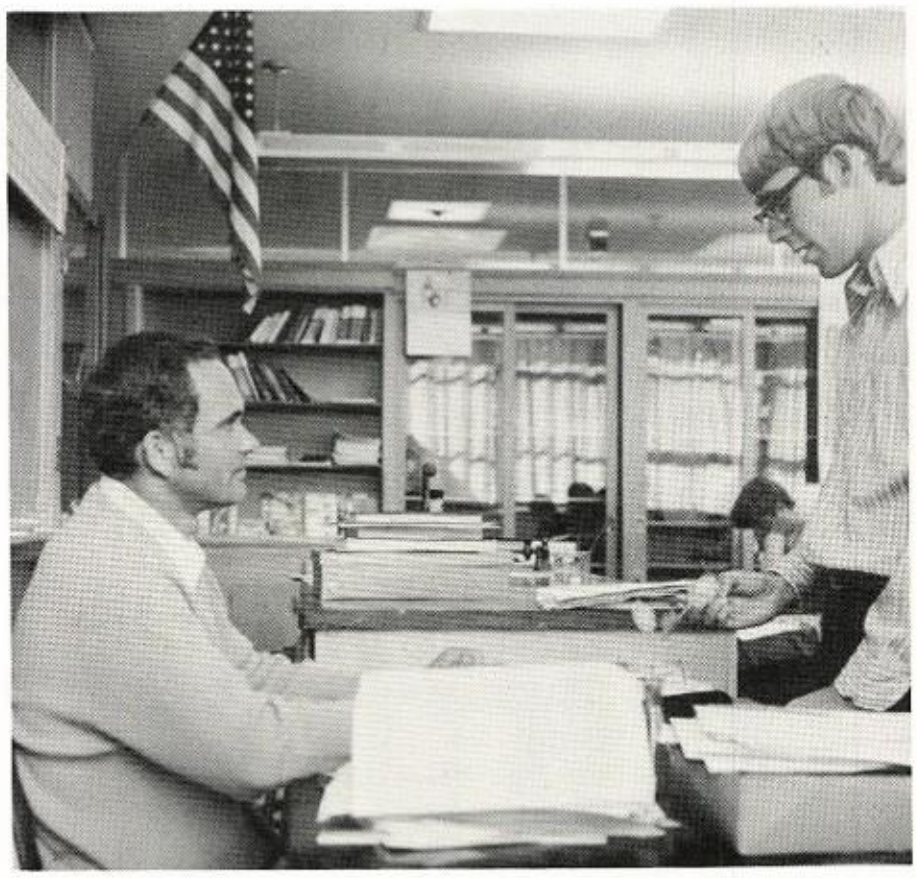
According to Mrs. Fern Preston, the cafeteria staff added no new meals because of the expense. Also, there is just so much you can make with meat, she said.

The custodial staff hired one new man this year, Mr. Al Smith. "There is something new to do everyday," said custodial head, Mr. Guster Vinson. The most interesting job, Mr. Vinson said, was cleaning up the "pollution pits" of the rest rooms and cafeteria.

Right: Marshall Steeby, Thomas Mapes, Nicholas Reichel, Guster Vinson. Below: Rose Brown, Florence Marietta, Bobbie Wright, Mary Howard, Louise Deal, Odelia Shump, Fern Preston, Christine DeLong.







Top: Mr. Yeast discusses the perils of the Democratic parties with his government students. Left: Lakeview "high priest", Mr. DeWeerd, excites his Old Testament class. Above: Chemistry teacher, Mr. Jensen, explains to Mike Powell the electron dot formation of sodium chloride.

DESIDERATA

GO PLACIDLY AMID THE NOISE & HASTE, & REMEMBER WHAT PEACE THERE BE IN SILENCE. AS FAR AS POSSIBLE WITHOUT

surrender be on good terms with all persons. Speak your truth quietly & clearly; and listen to others, even the dull & ignorant; they too have their story. Avoid loud & aggressive persons, they are vexations to the spirit. If you compare yourself with others, you may become vain & bitter; for always there will be greater & lesser persons than yourself. Enjoy your achievements as well your plans. Keep interested in your own career, however humble; as it is a real possession in the changing fortunes of time. Exercise caution in your business affairs; for the world is full of trickery. But let this not blind you to what virtue there is; many persons strike for high ideals; and everywhere life is full of heroism. Be yourself. Especially, do not feign affection. Neither be cynical about love; for in the face of all aridity & disenchantment it is perennial as the grass. Take kindly the counsel of the years, gracefully surrendering the things of youth. Nurture strength of spirit to shield you in sudden misfortune. But do not distress yourself with imaginings. Many fears are born of fatigue & loneliness. Beyond a wholesome discipline, be gentle with yourself. You are a child of the universe, no less than the trees & the stars; you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should. Therefore be at peace with God, whatever you conceive Him to be, and whatever your labors & aspirations, in the noisy confusion of life keep peace with your soul. With all its sham, drudgery & broken dreams, it is still a beautiful world. Be careful. Strive to be happy.
